The Amildar reports that the roof of the temple leaks as the concrete over the same is all broken up and further that the structure of the Mahadwaram is in imminent danger of coming to grief owing to growth of the Aswatha and other plants on the roof and submits for sanction an estimate for Rs 799/-

2. The funds available at the credit of the Institution amount to Rs 520-11-4- as specified in the Margin. The devotees of the Institution plead their inability to pay any further contributions towards the repairs in question, stating that they had contributed their mite in 1885 and that no repairs were executed. The amount of Rs 45-8-- contributed by the devotees is reported to have been deposited in the Savings Bank and included in the sum of Rs 124-13-10 referred in the Margin.

Surplus fund Rs " - 8 - 6
Management fund 395 - 6 - "
Savings Bank Deposit 124-13-10
520-11-4

3. Under the above circumstances I request that you will kindly sanction

the estimate, the amount being met from the sum of Rs 520-11-4 and the balance viz, Rs 278-4-8 from the State grant of Rs 15000/-

4. Vernacular papers ending with Arsikere Amildar's report No 46/794 dated 8th May 1900, are herewith submitted for reference and kind return.

Sir,

With reference to Government Proceedings No. 59-60 of the 7th Jy 1900, sanctioning an Estimate for Rs 793 for repairing the Sree Lakshminarasimha-swami Temple at Javagal, Arsikere Taluk, I have the honor to state that the Amildar after personally inspecting the Temple reports that certain old and leaky, concrete walls had to be removed and rebuilt for removing the trees on the Mahadwaram for which no provision was made in the original estimate sanctioned in the Government Proceedings above referred to and hence submits a supplemental estimate for Rs 263 for sanction.—

2 —— It is reported that there is a sum of Rs 567-11-4 available at the credit of the temple, out of which a sum of Rs 520-3-10 has already been sanctioned for the repairs of the Temples leaving a balance of only Rupees 47-7-6. As the Temple is an important institution of an antiquarian and architectural interest and as the items of work now provided in the supplemental

Estimate are very necessary to complete the repairs of the Temple, I request that sanction of Government may kindly be obtained for the supplemental estimate herewith submitted, the amount being met from the State grant.

Sir,

With reference to your Docket No. 1220 dated 28th September 1904, forwarding for report two petitions from Kesava Moorty, contractor entrusted with the repairs of the Sri Lakshmi narasimha Swamy temple at Javagal, Arsikere Taluk, I have the honor to state that a sum of Rs 793/- was sanctioned in Government Proceedings No. 59-60 dated 7th July 1900, for repairing the temple and the petitioner was entrusted with the work. As work progressed a sum of Rs 631-2-- was paid to the Contractor on two bills. There thus remains a sum of Rs 161-14-- still to be paid to the petitioner.

2. Since some further repairs were necessary an estimate for Rs 263/- was submitted and sanctioned in Government Proceedings No 2210-1 dated 11th May 1903. This work also was entrusted to the petitioner and the same was completed by him at a cost of Rs 262-8-3 which amount too has not as yet been paid to him

3. Two bills for Rs 161-14-- and Rs 262-8-3, as stated above are herewith submitted for favour of sanction and forwardal to the Comptroller for audi and return

4. When the estimate for Rs 263/- was sanctioned there was a sum of only Rs 47-7-0 at the credit of the institution. Hence a sum of Rs 215-8-1 was sanctioned out of State grants.

The Amildar reports that this amount was not withdrawn from the Treasury and credited into the temple funds.

5. The petitions received with the above and Vernacular papers ending with Arsikere Amildar's reports Nos 28 and 29 dated 20th Instant are herewith submitted.
